What do you think of this for forums. Lets say a forum used this idea. For the best map or modders, they give you diff medals. Like this:

<http://n00bstories.com/image.fetch.php?id=1163464408>

Cause I may do this when I open the Hive, in its forums.
I may change the idea or something. Just so its not lame.

But these medals will distinguish yourself and skills. So I beleive Dante would have like 3 medals, and Crimson would have one for her webmastriss-ness. So you no one can mistake you for a newbie.

Good Idea? Not good idea but still neat?

I may replace the medal idea with something a lot smaller and cooler. Undecided.
