Evening all,

Just adding my two cents but i cant believe this community is still kicking, assumed it would of died years ago or been killed off by the plague. 'Cutos' (sp?) to Christine and co for keeping it alive this long.

Anyway, rant over.

Just to add, i registered here 5 years ago, so its been a god damn long time since EA/WS gave up on this game.

I'll say, playing this game is addictive.
