Salty, salty rye chips FTW. Damn, I was so addicted to those things back in high school. It was probably all that MSG they poured in

i'm definitely going with the rye chips...if you take away those it's just pretzels and breadsticks, which is like some fucked up trail mix, they're not gardettos without the rye chips!

Why are you guys trying to hijack my poll?

luv2pb and Crimson, how can you not like the rye chips, pretzels and breadsticks is not worth the 3 dollars a bag or whatever they cost these days, I used to hate the breadsticks, but I started growing tolerant to them after I realized how much money I was wasting only eating 2/3s of the bag, and pringles are good, but they're in their own category...start a different poll for pringles.

To be honest I don't for exactly that reason.
