I know some clan units use voice comms like Bcomm, RW, TS and such. Does anyone here when they are not playing with a clan or who are not part members of a clan try and use voice comms with others in the server?

For Roger Wilco go to rogerwilco.comTeam speak is at teamspeak.netI forgot the address for bcomm as I don't use that anymore. Personally I like teamspeak the best.Microsoft also has voice software.
