I dont think no one said this but...
It would be really nice if we could make nicknames on FDS that doesnt requre serial numbers and stuff. It is just pritty annoying when i have to use my ingame nickname for the FDS host name.

Lol, you can have 9 nicks on your serial.
I don't think they will edit the whole WOL.

Well, i had nine nicks. Lol, i use redalert 2 serial number now. It works too, but we need free ones too. It might not be only me...

This is unneeded, really. Just make one or two playing nicks and one or two FDS nicks.

You can delete old nicknames if you used all 9.

Well, ok.
TBH! TFD players are cheaters . They have 3 serials. They could use RedAlert2 Serial for renegade, it works for me. They could use RA2 YR serial, works for me, poorly renegades serial

I don't think the serials are game specific, but rather just WOL/XWIS.
