HeavyX101 told me to put it on my own topic

ignore last pic on the white one i did take ss of the whole ramjet but frames must of jumped when i pressed the ss button

Ignore messed up H.U.D its cos i had to lower the graphics and resolution cos i had a bad FPS in APB

[White]

[Pink]

[Blue]

He should be a skiner instead of trying to be a modeler. There isnt really and rules on skining, like
in modeling there is a polygon shit.
