lol, he has yet to talk to me by PM or by post. all he has said so far was my quotes in my topics.  
(and he has posted some stuff to others in other topics 2). He is getting really anything. If he will  
not give up his account, i would atleast like him to use an old avitar i used to use, not some pigeon!  
He puts me to shame!

=Samous

(not "Samous Mods", don't get confused)\

EDIT:

ScrIn wrote on Sat, 11 October 2008 01:21i pmed sammous mods about helping me with SP

C-130 drops? as in C-130 drop mods? You asked him, not me, when I had been working on those  
wayyyyyyy more than he has! I'm even releasing 70+ mods on my C-130 mods installer, with some  
of the most advanced mods (C-130) i've ever seen (made)! If you're really talking about C-130  
drop mods, go here:

<http://www.renegadeforums.com/index.php?t=msg&th=30163&start=0&rid=2> 4163

to see my work. Now where is his experience i ask you?

Ya when someone acts like a little kid which Scrin does most of the time. hes jsut trying ot piss you off and if you show he does then all hes doing is getting the last laugh but I do think the account should be deleted, But mods wont do it unless someone comes in with a nick mocking or stealing theres "johnwill mods"

Sorry if named misspelled

samous wrote on Sun, 12 October 2008 22:12this took forever to get into the heated discution. Why should it be anywhere? It should be locked, flogged, hanged, lynched, and thrown into the trash (along with Scrin).

But seriously, I think this topic has been solved... shouldn't it simply be locked?

Agreed, the fake nick accounts were banned anyways. No one cares enough beyond that.
