You mean the Metroid Prime ones, remade for Wii, or something else? I really want Prime 1 and 2 for Wii

Of course, I think Super Metroid is the best of the series, such a classic

Hey, you think i'm not a fan of metriod... who is the main charracter agian... oh yeah <see name>! (the only dif is she spells samous differently than me) BTW: it is a nice apc, i would like it, except... this:

Is not as good as the rest. Van you make a version without the white metriod character (the blue one on the white background)? PLZ! I really like metriod stuff.

=samous

(also, see my avitar, it is a pic of samous with a santa hat on!)
