ok, i just forgeted to show up all my projects...

GDI/NOD huds i made for C&C Reborn's vehicle beta, but dev team don't get pleasure on my style...

and also i made 3 high maps overheads for gps radar (its working with current infantry beta) (i have also C&C\_Smallville, but its first map build and there no Constuction yard structure)

and my AVP radar still in progress (i don't want to work with all anymore, because i dont want to waits 8324623735 days before 4.0 come out...)

o! bad memmory...

Dude, what the hell are you doing to me?

Guys, I wanted to try and work with him to get everyone something nice, but he seems to take pleasuring in spitting in my eye.

God damn you.

Dude, it's hard to express how much I feel for you right now.

I could have seen this coming, though. Seriously. It's fucking Scrin.
