1: just a tip, use the edit button, it helps. (don't have to use it if you don't want to, i was just suggesting)

2: Di3 if you find the link i will be happy, b/c i don't have time to make the flame tank skin, a bunch of new thing have just happened, i read my E-mail! lol, i have like 4k invitations to partys all over the place, so i have very little time. sry killa.

DONE???????????

well, instead of putting it in the freezer like the med tank, he placed it in the oven !

EDIT: i mean the flame tank, not the sky. The sky looks like it's from those OLD nintendo
gameboy (original) games.
