I know this error has been discussed but I can't find it. I click to play the game and the CNC
Renegade picture comes up for a second then goes away and game doesn't start. Whos got the
solution to this stupid problem

XP Service Pack 3
1.5GB
5900Ultra 256MB
2.4 3700+ Clawhammer

yes that worked thanks but now I get a WARNING: Model Textures (Skins) have been detected
on your client! You will not be able to join a pure server.

I have no idea what that means.

Help
