Almost every time I get on Renegade, in about 30 seconds to 1 minute, it quits it and Renguard says "Unauthorized Renegade Instance Terminated" It's really annoying because I always have to turn renegade on twice. Is there a solution to this?

The only real solution is to stop using Renguard, really. It's end of life anyway and hardly used anymore.

A workaround: [http://www.renegadeforums.com/index.php?t=msg&goto=281474&rid=4882&srch=#msg\\_281474](http://www.renegadeforums.com/index.php?t=msg&goto=281474&rid=4882&srch=#msg_281474)
