## RENEGADE MAP TEST

Post a screenshot of an area from the regular Westwood maps (including Glacier). Feel free to include CP2 maps; bear in mind not everyone is familiar with all the fanmaps. All buildings are allowed as well.

Forumers would then try to identify the map and where exactly the screenshot was taken.

Once it has been correctly identified feel free to post a screenshot of your own.

### NOTE:

-Please be considerate of other forumers and put your images within spoilers or thumbnails. Not everyone is lucky/rich enough to have a widescreen monitor and uber internet connection.

-Do not spam. This topic is created and put specifically in General Discussions after getting the approval of a global moderator.

I'll begin; ID this:

that game is way too easy for any regular player.  
i remember on 2cnc.de we only posted pics of building interiors and still got it right by looking at the lighting ;D
