Ever wondered how the harvester could drive without a person in it?
Well I did, and decided to give the harvester a driver which you can see

Works online as you can see in the video, and this is for both GDI and NOD harvester

hahaha, that has to be the most boring job in the world,

so tell me, what thickness is the glass? anti-tank windscreens for sale?

xD

Thats just superb, this harvester looks like it has more life in it now. Before they were just plain and boring.

Im definatly going to be using this.

Don't feel bad for our Jobs, feel bad for our kids - All that Tiberium Radiation will have an effect on the next generation of nooblets.

People I beg you,

Don't go green, go GOLD!

oh and btw very nice DieHard ^^
