when you press F8 in game there pop ups a box where you can type things like extras fnkqrrm or  
hud 0

but

my hud 0 command wont work when i type it

there is just a message that i cant write things with this box

(thats the reason why my last ss were so ugly)

how i can fix it hope anybody knows it

and here is a ss when you dont know what i mean.

to add another thing:  
You do not type extras ASJDHSAJD (w/e), it's just extras,console reads only the thing before the space
