n00bstories is privately owned, therefore the owner states the rules, and moderators follow accordingly. Racism is not tolerated because it's offensive to people.

If you don't like the rules, you are welcome to exercise your right to freedom of choice and to play somewhere else.

Wow get a fucking clue and the extreme liberal dick out of your ass. If you honestly are accepting hate speech and then turn around and compare the opposite to being a nazi .. just wow.

And as an FYI, no I'm Canadian and far from racist or hate anyone. However i have no problem in pointing out the stupidity in others.
