Hey,

I made this custom nuke strike sound but it is inaudible in game, when the nuke hits it's just silence, what am I doing wrong?

Thanks so much!

```
File Attachments
1) nuke_strike_fire.wav, downloaded 386 times
```

I'm guessing it's too long?

I don't know much about sounds :\

Didn't help I'm still not hearing anything, hmm. Also it's shorter than the original nuke sound file.
