i hope ironwarrior will answer me soon about uploading the winner skin on game-maps

but now i just can do this.

here is the woodland nod apc from LEEumDEE winner of the first skinning contest in ren forums

Seriously why are those ugly wheels stil on it!!!!

I know it isnt part of LeeumDee's skin but if you are going to continue this skinning contest JsxKeule then make sure whenever you post a skin that there is only the skin on there. (Just vanilla Renegade and the skin).
