Can anybody make me any of the following?

- 1) Reborn load screen
- 2)MODEL: Reborn repair gun

Thanks!

EDIT: move to mod section please

the load screen u can find in always.dat  
it's the same name as the renegade one i think.

the repair gun has to go through gmax i think as i tried doing it without and failed

there are 4 parts of the screen  
extract them from reborn and put them with the same name in the renegade data  
and rep gun can be a bit hard cause it have other hand positions than the renegade one
