Probably explains why you hardly ever see him staying in a whole game.

Ah its nice to be remembered Thanks

Don't give me false hope lol  
Marathon have been saying they would add CP2 maps a couple times but backed straight out. I suppose its the risk to the player count that is most important and I fully understand.  
Maybe if/when the down-loader is released it would mitigate that risk.  
Wonder if somebody from TT could pull a publicity stunt, maybe write an article in a gamer mag about the patch to draw some players back, but ones hopes...

FYI: Hate i am not azazels 'best friend' just shows how you need to lie to make yourself look good, dont worry bro obviously not having a social life has a big effect on your confidence but hey you could always try suicide . As for the triggerbot acusation, HaTe doesnt like the fact that he gets owned and cries out for the nearest excuse 'WAAH WAAH TRIGGERBOT WAAAH' give it a rest kid.

@Gohax : Just lol at you, just lol.
