Just wanted to give the heads up: My birthday is tommorow, 8 March.

Don't know what I'll do tommorow. Hoping to go to the beach, but I'll see how the weather holds up.

Hope you got your hard drive working.

Thanks guys, I appreciate it.

And yes, I did get the HD working. Both, actually... Now I can delete all the junk from my first one and use it as storage, finally.

30+ gigabytes... Whoot, I love it!
