So between him, cat998 and YSLMuffins the majority of the moderators for the Mod forums are MIA.

Not that I think we need any more moderators since the current ones are doing a good job anyway, but it seems a bit odd that so many of the people listed as moderators are not even actively visiting the forums.

The racial inequality, and lack of sensitivity shown by the administrators here is unacceptable.

This has occurred to me. The reason for my absence is that university social life (even during the holidays) along with studying has destroyed my free time. I, sadly, am considering resigning...

Oh, and rocko: citation needed.
