My favorite was : When Blazeregulator was released :twisted:

Least Favorite : That ^&*%\$@# "Roof Gnomes" topic by Brutus in the Mod forum. 35 pages of people posting " Let's keep spamming and get this to page 36!". :rolleyes:

Favorite: The one I remember the most was the one where Crimson posted an excerpt from a game (I think it was on her sniper server), where ViceriodMan (if memory serves me) kept getting killed and making some funny comments. Also nodmama's Poetry Palace was pretty good.

Least: Anything SLUBBY_Q replied to!
