I remember somebody trying to do a poll on the best Renegade sniper but due to the fact of him not being able to include all the viable nominees in the poll he was no able to do this properly so...

Please post who you think is the best Renegade sniper here and I will update the starting post (this one) with how the voting is going every night or whenever I can during the day...

Of course if you have any objection to this topic I will delete it...

OK then let the voting commence.

Ohhhhhhhh my first post in the new forums and to my brothers topic...

Oh well back to the topic I don't play sniper games that often but the best sniper I have met has to be Ltimortal dunno whether he is that good to some peoples standards but he is certainly the best sniper I played...

Ltimortal

Bomba45, I'm sure any of you that used to play in the old Realnoob servers can vouch for that...

118 kills and 7 deaths in one game doesn't hurt either
