just posing a simple question, anybody can have a serious crack at it

basically complete the following sentence:

The Pope (the outgoing one, Joseph Ratzinger) is a good man because...

don't need to hear why he's a bad guy, so if that's what you think, don't bother replying unless you're rebutting someone who's saying why he's a good guy. wanna hear from anyone who thinks he's a good guy.

I'll just leave the thread open

Go pope go!

The Pope is a good guy because spoony is obviously a hater. Who starts a topic to hate on someone you never interacted with before?
