I don't find it teamhampering when you stop people from glitching

I can be cool too and use this

We can go back and forward on this as u were revealing our Position as SBHS when we were clearly on the ground running around and shooting us to make us visible for the APC. Just wanted to point out u shouldnt TH, u can always request a Mod if u think something is going wrong, atleast 2 were online during this accident We could have solved this @ Rencorner but unfort. Cyanide still is the ex-cheating Douchebag he once was when he got banned for RGH, therefore this Topic started.
