Hi all,

just got a new computer looking to play ren again but can't find my old favourite reticule.

Google failed me...

It was a tiny circle reticule possibly called halo sniper or something. Anyone got it or know where to get it?

Cheers.

Hey there Mister Nune, you failed at Google!

I found it for you:

I attached to this post; hope this is it. Found it here:

I was wondering who would be the first to catch on, I thought it was pretty witty too.
