A video of the brand new map for Renegade Imperial Age created by Mr. ImperialKaskins himself.

Excellent map which can be played on the UltraAOW NewMaps Server.

I'm now convinced that this is zunnie's attempt at trolling the forum. He knows it looks like shit and that nobody will ever play it, but he also knows that we can't resist telling him that. He's just playing along. He's not living off of Dutch welfare and doing absolutely nothing with his life except modding a dead game to troll a dead forum with tons of shitty spam posts

Another winning map by ImperialKrapskins! I especially like the giant mirror in the Nod base.

what fucking funny is a bunch of 30 year olds constantly talking down to people 10-12 years younger than themselves fucking lol

let's see

what sort of 30 year old visits a gaming forum everyday and trolls? such a person is a total drop out of society ugly as balls IRL, motherfucker has no sex life or has a troll faced wife and has a faggy job and is probably depressed as hell that he will forever be a loser wanker.

The real men who actually have jobs, careers, and women wouldn't have the time to log in everyday to a fagforum to rant at teenage mapmakers of a dead game.

man up or GTFO.

2/10. You didn't misspell enough words to make it less obvious that you were trolling. You're just phoning it in, man. Stop trying so hard.
