For some reason reading this made me think of this place, and all the funny crap that used to be posted on a regular basis.

Like the troll talking about pissing in a bottle on the weight lifting forums.

Anyways, I hope this brings smiles to the people who may still check in here. Kinda miss this place from time to time.

This is quite amusing, good find.

And yeah, I miss this place from time to time too. I wonder if there are any popular and decent servers still running. Might have to dig out my copy and give it a shot again.

You should read it on the original site it came from, there are quite a few other amusing adventures there too.

RenCorner and UltraAOW usually get pretty good player counts still.

Saw RenCorner hit 60 this weekend, during the week days the most I ever seen RenCorner or ultra ever hit is 40s.
