Don't know where to post this so I will post this here.

Today I tried to play some 1v1's with Hitman but this is what I got from the server.

It would not let me type in all chat or do PM's.

So had to leave.

Also let me know the link to the discord! ty

You will need to be verified manually by ReneWars management
players to be able to attend RANKED games.

Okay
