I have been trying to go to renegade realm every day for about a week and I could never get in. I checked to see if my url was valid and it was.

Is renegade realm down?

That's just the RenAlert site. I think that the realm is just experiencing temporary technical difficulties and normal service will be resumed soon.

Shut down! Noooooooooooooooooooooo!  
What other site covers Renegade news like the realm does. Even if it's down sometimes it's better than being completely gone!
