Yo its me the gunrun just informing u that they is a rip in the canyon map
if u try driving a vehical up this 80 degre ramp with an other vehical pushing u, u will be exeleratid into the farthest reaches of the map and flying.
IM NOT TALKING ABOUT THE OTHER RAM WHERE U CAN JUST DRIVE UP IT WITH A HUMMER AND FALL OF JUST TO DIE FOR NO RESON IM TALKING ABOUT THE OTHER ONE THATS MUCH SMALLER AND HAS A ROCK NUNNAL LEADING TO IT.

ArUsH4nIlshutup u retart

no it does work!
easier way is to go on LAN and put up engine power and drive up it!
