Wow, you're exactly right, you don't have brains...

And for the love of God, learn how to spell.

It only seems like he spelled all of it right because you can't spell that good either.

"Eat" was incorrectly capitalized.

He spelled brains wrong, it's "brains", not "brians".

It's "don't", not "dont".

It's "you", not "u".

It's "your", not "ur".
