Storyline of topic (i will speak of myself in 3rd person):

da_shiz makes a post idea asking what day and month you were born on, so...As da_shiz understands the situation...C4Kitty drank too much on April 24 & 25 and decided to flame poor little old da_shiz.

da_shiz...angered by this...decides, "funny...let's see how she likes this reply..." and so on went the flaming. He eventually decides to delete the original post because it was going nowhere and decided to dedicate this topic to flaming.

Now...on with the show:

ouch....maybe i shouldn't post when you're online next time...i may get flamed again. :sarcasm:
Go fuck yourself. And before you do that...you may wanna sanitize yourself, you don't know where that's been. Don't know how? here's a tip: preheat the oven to 400 degrees and cook yourself for 56-60 minutes or until golden brown. MMMMMMMM....Kitty roast...yum...with a hint of explosives.
