how the heck do you get 30+ kills in a game!!! i only get about 15 or so if im lucky!! also after the advise you gave me and everyone else gave me im doing better but i still have an extremely hard time focusing in on ppl fast enough any tips on that??
by the way is any1 else not able ot get a server on westwood?? i cant get online to play cause westwood cant find a server or some sheit.
Oh yeah and java whats ur WOL name and when are you on?? id like to play you sometime.

He gets that many kills because its his goal to do so. He is a sniper most of the time. He would rather kick ass then win.

His WOL name is *surpirse surprise* JAVAXCX!!! WOW I DIDNT SEE THAT COMING!

~30 kills is really quite average.
WOL: Javaxcx

I'm usually in teh Clan FUD servers, because I'm in Clan FUD. Try your best.
