For those of you that have Snipers Canyon you can now get the latest version from here Updated Snipers Canyon

To know if you have the updated version or not, look at the readme file, the updated version says "Updated 05-04-03" right after Description:

and other changes were also made. It was semi tested for beta; so let me know if you find any kinks.

OrcaPilot26There's alot of room for improvement in that map

fine, but to just spill an empty statement, tells a lot.
