In the last mission of Renegade all the way down below the temple, the place like a shrine (Where Kane tells you about some tiberium beginnings or something like that), there is a wall with a picture and writings that looks like Hebrew (is it? or not?). Does anybody here knows what does the inscription on the wall says?

It's hebrew on the middle wall. It a description of Cain killing Able from the Old Testament.

The left and right walls are Hieroglyphics.

As far I know that is an storie out of the bible about Kane and Able, where Kane killed his brother Able to get all the monex thei were promised to get if the do some work.

You find the whole storie at: 1. Mose(Genesis) 4, 1-16

I think it could be a small part out of the storie, maybe it is jsut some random symbols (I don't understand hebreic either )

Did you not read my post? And no, Cain didn't kill Able for money, jackass.

He killed him out of jealousy because Able's sacrifice was more pleasing to God. No, we don't know what the sacrifice was. Do some freaking research before posting.

Irony - > Laeubi's sig about stupid answers.

Duhu, look at thew times, I just postet 3 minutes after you and that was the 3 minutes while I'm searching for the text in the bible

When I pressed reply there was no answer of you. As I see you have already post i bet with my fried it will not take more then 5 minutes untill you reply that there is already a reply. Hm takes you 9 minutes

The Irony is -> you replied (answered) to my post so...hm. But I think we shouldn't argue about this.

Anywas your right, he killed him because god (seems to) loves Able more and Kain was full of hate.

Hm, I just tell it out of my mind, sorry, who can know the whole bible from his mind?

It's actually Abel, not Able...

Kane isn't telling you that the place is the site of Tiberium appearing on Earth. He said that's where his brother, Abel, lies.. What started the Brotherhood of Nod.

I said supposively...which is what everyone goes by...just like how everyone says the fruit Adam and Eve ate was an apple. no one knows what it was...it's just what people go by.

You think.

No one knows for sure why it was more pleasing, or what it was. All we know is that it was less pleasing to God. It could have merely been because it was given with a wrong heart.

Don't talk out of your ass. (Again)

If you guys cant get past the singleplayer mode try the Golden Gun Mod V2.0

This mod will give you infinite ammo, health and makes you run faster and jump higher, so it will be easier to cover the large ground in the Renegade Missions. On the 2nd mission all the weapons will be dropped at the path behind the construction yard, which includes Repair Gun, Railgun, Shotgun (really had lots of fun with this one), Ramjet, Timed C4 and etc. You can get the mod at CNC Ammo

Notice my unlimited Flamethrower ammo in the screenie. It was real fun when you get to place tons of C4 outside of a building and blow them up!.

I know I have no place posting this...but I HATE seeing the Bible slandered (although not on purpose). It was Cain, not Kain, or Kane. He killed his brother because Abel made a sacrifice and killed his finest animal. Cain on the other hand just grew his vegetables and gave them to God as his sacrifice. Also...God didn't love Cain less, He loves NO ONE less or more than another. That's all.
