I have created a new Loadsreen, hope you like it.

click on the image to goto the download.

Ich mag Ihren Last Schirm viel
Sorry if my german sucks. I used a translator.

By the way. How do you get rid of the words?

Like Command and conquer mode

engineers and the mct

To remove the standard text from the screen, extract also this languagepack into the Data folder:

Deutsch

Englisch

No it jsut removes the text from the Loadsreen.

To reverse the effect jsut delete the strings.tdb file out of your Renegade\dat directory

For some reason it gives me vis errors.

What about the one that was on mod exchange?

FerhagoFor some reason it gives me vis errors.
What about the one that was on mod exchange?

Vis errors?

ANd of yourse you can use the one on ModX too.

Just the ones you find at <http://www.laeubi.de/loadscreens> (exerpt the WS ones)

If you like I can amke some more, no Problem.

I just msut think about a theme
