Yeah. I would like to know this to because when I use capitals in a name when I create an account, they are not in my new nick. The game changes all capitals to small letters

Go to My Information. Delete your account. When you next log in type your name in with the capitals you want, then the password. Then you connect to WOL.

That doesnt work I tried.

The only way I ever got it to work for me was to install red alert 2 and do what you said.

For renegade it doesnt

Wrong.. Wrong.. Your all wrong.. Or dumbasses

When entering your nick to logon as, use SHIFT-LETTER instead of the CAPS LOCK BUTTON.

WOL Games block CAPS LOCK but not SHIFT
