who do you think is the worst host on renegade?

i say my brother,

hes 10 and he made up the following rules so he won't loose:

1)C&R only(so he can't loose)

2)no tanks

3)no beacons

4)no base kill

5)no snipers(scared he does not get shot)

6)not ladderred(so he does not loose places on ladder if he does loose)

7)no mutants

8)no refills (but refilled him self so he would not die)

Then change your password

---

and don't let him know about anything

No matter what restrictions he puts on a game, he'll still get 0wn3d if he's no good. Typical children. No tanks? Geez that's half the fun of the game!

spreegem Then change your password  
and don't let him know about anything

he still lost the game so doesn't play any more!!
