Iceman made a post about is crimson hot or not, and she left this link and a nice "FFS" message. The strange thing was like 5 people were like, "aww shes cute."

Oh man the flames are coming

Yes, that's my real pic. I have no reason to lie. If I were lying, I would have said this is me:

I really couldn't care less if you think I'm ugly or not... I only care what Blazer thinks.
