On the map Field. I was on GDI and some idiot on my team was buying tanks for the other team. So when I found that out everytime he bought a tank I'll go and steal it and go out to fight the other team with it and get it blown (But not before I have taken out one of our tanks that they have).

Now he got mad cause I was stealing his tanks and USING THEM THE WAY THEY WERE SUPPOSE TO BE USED. So we kinda gotinto a big argument.

His goes his excuse for the whole reason why he did it:

"FUCK YOU SHAFTJR!!!!! I WAS GIVING AWAY OUR TANKS TO THE OTHER TEAM TO MAKE THE GAME MORE FUN!!!!"

My all time favorite not mentioned yet............

"This server is so laggy, that's why I died"

" I hate you, you suck" and(he had killed the guy at least 10 times in one game.Not sniping)

I was playing a non game server. (just the host fooling with the cnc_c130 drop files) when the host
mods up a orca with a a10 coming out of it on island.mix. well he flys under the map and picks up
this guy and pulls him over the boundery and drops him at the very edge of the gdi map. so i killed
him not thinking he wanted to be there. next i here"WTF?! ur going to die now!" so i grab a dead
eye and the guy as a havoc started shooting at me. (boink) i kill him now he says "your so going
down now!!!!" he spaw right next to me and i shoot him again. and go grab a hummve so the host
can drop me out of the map. later wile i was driving the hummve the guy trys to c4 it and i get out
and shoot him. he says "WHat the FUCK was that you are some kind of cheater! host give me this
guy's ip im going to ban him from renegade." (scilence for about a mineut)"well when im the admin
im going to ban u becuz i allways host a server" i say well this is my first time playing in 3 months
and i only came cuz of the mod. he answers "FUCK you" (host banns him) then we all started to
lol.
