I was just wondering how many of you actually play on WOL, I mean, I see you talking all the time on the forums, but I never see you in a game...

So just leave your name and what servers you usually play in.

BTW, mine is Numb3r0ne and I play in Mizzo, and Kakipii

Halo38

Accasionally on Dethserv (moonlightshakers) whopping the Deth Dudes asses (man, i'm going to get beats for that comment)

When I feel like ladder, the largest game on the server

When I feel like action, I convince the roleplaying hosts of Club carnage exteme to have duels instead

When I feel down and need a good laugh I log in as my unknown alterego claim to be a n00b ask why the green stuff hurts me, while I systematically take down their entire base (I have still to see my alterego on n00bstories)

Sorry I'm rambeling.
