Resident Evil is cool. It's much better to see hot chicks with guns killing zombies than some unknowns trying to survive a virus that makes you go nuts.

Actually, EA bought Westwood a couple years ago. But, they shut down the Westwood offices back in March (I think) and took over WOL.

I love Resident Evil the movie. Always been a Big fan of the videogame.

I saw Bay boys 2 and Terminator 3 also. Bad Boys 2 had ALOT of action in it. I mean ALOT of action. Good movie to go see.

Here are the funniest movies to ever go see or rent or buy on DVD:

Road Trip

Sorority Boys

American Pie 1 and 2

Bachelor Party (Old movie from the 80's starring Tom hanks that probaly nobody knows about.

But go and see it. its funny as hell)

Porky's(Another old funny movie)
