This extra forum is a good idea as those posts were just not meant for the general discussion...

Nice to know the admins are allowing people to continue discussing things that are so off topic...

I think a few more topics will end up here eventually.

Yeah! A forum made just for 5-15 individuals who love discussing this topic! Thank you so much crimson!

Note that was not sarcasm. I am very pleased to be part of this group of 5-15.

Although there are certain individuals who's completely biased and sadistic opinions I'd rather not hear...but I'm sure if things get too out of hand...something will be done

Wow, a place for debates that continue well for a few posts but degenerate in to the standard of thrown facts and pointless flames with no real conclusions being drawn, great!

Yes a place to see "STFU n00b" in every thread and have more pages than the roof gnomes topic (maybe).
