After a week of planning and concept modeling, and with the help of others. I have began production of the frist Working TDM that works by kills. More infomation will be given later as the progress unfolds.

Im just letting you know its coming. :twisted:

that map rules, no joke.  
i tested it with a laser and some others. fast pace action, just the way i like it

Major :thumbsup:

Looks fun...Maybe spice up the textures with some nice custom ones.

Can I help beta...maybe throw you some suggestions?
