I am registerd with the FoD forums and would like to try out for bf1942 but the only problem is when i log in it says pass wrong... so i click forgot password enter my info and get this

Ran into problems sending Mail. Response: 553 sorry, that domain isn't in my list of allowed rcpthosts (#5.7.1)

DEBUG MODE

Line : 155
File : C:\wwwroot\forums\includes\smtp.php

What is that supposed to mean.

Meaning, you can't enter @hotmail addresses into the website.

They've filtered, i'm sure there's a couple of other email hosts they've blocked too.

Hmm.. i registered with my @killersmurfs.net email address

That blocked aswell
