GlacierTS rules. I also like Hangman's Canyon, but nobody ever seemed to ever put that into

rotation. My all-time-favorite is still C&C_City, though.

I like Deth River for the gameplay, although it has some graphical problems. Siege and Glacier are also fun to play on imho.

GlacierTS is my favorate fan map. Glacier Flying was fun, but was far outpaced by GlacierTS. ACK did a very nice job on that one.

I personally enjoy playing on Conquest Winter and well, any of ACK's maps... haven't seen one I didn't like.

General HavocC&C_Afghanistan

That map is too big, and I can't find the other base.

I like ACK's maps, and somerhino's maps.
