We don't care if you're leaving or not, but we're staying. So stop posting "demoralizing" threads about "im leaving, tis gams dieyign omg"

Oh, and about those "fake leaving threads..."

People who are writting them are simply: ATTENTION WHORES!1111

points at Seth.

So unless that you're an "important community person" (Crimson, Dante, Aicraftkiller, Blazer ...And all the people who really contributed to the good of the community...) we probably won't care if you're leaving or not...You can tell your friends, of course...But don't point out one day on the forums to say..."im leaving, tis gams dieyign omg" like most of the people who left already did.

You're either with us, or you're just a quitter.

Personally, I'm staying til' everything is over...(Til' the community collapses...(Hope it'll never happen!))

So if you really care about us, don't leave the party, stay til' it's over, get drunk and have fun, but if you're leaving early, you're just a...:\

Note: If you're leaving for personnal reason, it's alright...Just come back and say hello sometime

Please, stay til' the party's over.

(I'm not trying/I don't want to offend anyone (-exception for Seth...-) with this, so don't take it as an offense I'm just a bit tired of these quitters who keep saying the same..."im leaving, tis gams dieyign omg"...crap over and over...)
