He bashed Bush and the war in Iraq and tried to say more bullshit, but was drowned out by the booing.

here's an article on the c0ck nazi

Michael Moore booed as he slams Iraq war at Oscars

http://story.news.yahoo.com/news?tmpl=story&u=/afp/20030324/en_afp/oscar_war_iraq_moore_1

snip

""We are against this war Mr Bush. Shame on you. Shame on you!," he said in front of a loudly booing audience of 3,500 people including most of Hollywood's top stars."

snip

Reuters gives it a 'friendlier' slant...

<http://www.washingtonpost.com/wp-dyn/articles/A16563-2003Mar23.html>

"Oscar host Steve Martin joked after Moore finished speaking that "the Teamsters are helping Mr. Moore into the trunk of his limo.""

Not everyone by far boo'ed. Also I noticed that they just started playing loud music when they didn't want him to say anything more...gotta love freedom of speech (although I do agree it may not be the right place to do so).

freedom of speech has nothing to do with it... read the bill of rights and subsequent court cases involving it.
